Content	The Assessment Guide Annotated Teacher's Edition contains all of the worksheets that appear in the Assessment Guide Workbook and Blackline Masters book. The Annotated Teacher's Edition includes answers to exercises on the student worksheets, which measure student understanding of selections in the Student Reader, reading and language arts skills presented in each lesson, and unit themes.
Student Experiences	Students review lesson and unit concepts as they complete assessment worksheets that include multiple-choice and extended response items. For the first three units of study, teachers read assessment items aloud as students follow along silently; in the final three units, students read the questions and any answer choices independently.
Assessment	Assessment worksheets measure student understanding of each selection in the Student Reader as well as the reading and language arts skills featured in the lesson. The comprehension strategies that are assessed include Making Connections, Asking Questions, Predicting, Visualizing, Monitoring and Clarifying, Monitoring and Adjusting Reading Speed, and Summarizing. Unit Assessments, which are administered throughout the course of a unit, gauge students' understanding of unit concepts.
Organization	The organization of assessments in the Assessment Guide Annotated Teacher's Edition corresponds with the order of units and stories in the Student Reader. For each selection in the Student Reader, the Assessment Guide includes a four-page assessment. A Unit Assessment follows the last Lesson Assessment in each of the six units. Unit Assessments also consist of four pages, beginning with a brief story that relates to the unit theme. The three remaining pages of the Unit Assessment include exercises and questions that assess students' understanding of the story as well as general unit concepts.
Resource Materials	The Kaleidoscope Teacher's Edition includes guidelines for administering each Lesson and Unit Assessment.
Gratis Items to be provided and under what conditions	
Available Ancillary Materials	The Assessment Guide worksheets are available in both workbook and blackline masters formats. The Blackline Masters book is included in the Kaleidoscope Intervention Package along with the Annotated Teacher's Edition.
